Experience

Sr. Developer - Almighty LLC/Connelly Partners, Boston, MA

09.2014 - 07.2017

- Acted as front-end team lead on projects for New Balance and Mount Ida College, creating documentation, functional specs, and delegated tasks to front-end and back-end developers
- Managed freelancers and Interns; delegated tasks to ensure productivity and efficiency
- Acted as main point of contact and led project status meetings with vendors for outsourced work
- Built several physical experiences for New Balance using Mean and Lamp stacks for New Balance global headquarters and their flagship Copley Square store
- Developed products focused on user experience and performance for a variety of clients
- Developed large scale WordPress and Drupal sites for education and furniture clients
- Built robust responsive web experiences using PHP, MySQL, Javascript, HTML and CSS
- Acted as a technical resource for clients' projects, framing scope for the early stages of project inception and planning

Developer - Almighty LLC, Boston, MA

09.2011 - 09.2014

- Actively participated in concept creation to solve specific client problems
- Frequently represented Almighty's technology department at client events and client meetings
- Personally responsible for drafting the first version of the Almighty technology department's coding standards

Multimedia Specialist I - Precision Digital, Holliston, MA

04.2010 - 09.2011

- Designed and developed landing pages using PHP and JavaScript
- Managed social media presence on various social networks
- Performed SEO using page rank software, Google Webmaster Tools and Google Analytics

Graphic Design Intern - Metropolis Creative - Boston, MA

08.2009 - 11.2009

- Collaborated with a team of designers on many projects, in a design and development role
- Created ads, brochures and built content managed websites for businesses and community organizations
- Customized social media campaigns for clients

Graphic Design Intern - Victory Records, Chicago, IL

04.2008 - 08.2008

- Produced advertisements for bands including Hawthorne Heights, who sold 20,000 albums in the first week
- Created advertisements for magazines and newspapers published worldwide, including *USA Today*
- Collaborated on album art for Hawthorne Heights and Bayside to increase productivity and meet deadlines
